Preview Sheet: Integration Session Year 1

In the Ministry Formation curriculum we devote one class a year for extended personal reflection on the call to serve in pastoral ministry in each of our lives as candidates in the MF program. We call this an “Integration Session.” The class involves prayer led by candidates, a brief presentation by the facilitator, small-group discussion on specific questions geared to integrate what you have been learning in these classes with your call to serve. The session concludes with a large-group wrap-up.

Since this Integration Session is really about you and your formation, we just ask that you spend some time in prayerful reflection on the movement and promptings of the Holy Spirit in your life since you first had an inclination to register for Ministry Formation. You can use the following Scripture texts to prompt your thoughts: Exodus 3:1-22, 4:1-27; and 1 Corinthians 12:12-30.

We pray that this time of prayer, reflection, and faith-sharing will be fruitful and life-giving for your journey of faith. May God continue to bless you abundantly.
