

A Christmas Witness

You will have a chance to share with someone a brief experience of God that was significant to you. In particular, a Christmas experience.

Maybe it is about an experience of Christmas Mass, maybe about the baby in the manger, maybe about when you realized what the Incarnation means to you, or an act of generosity, or a story of family or friends at Christmas.

Take a few minutes to think and pray about what experience to speak about. Then jot down some notes. You will have 10-15 minutes to do this.

What happened?

Jot down a few details of how you saw God in this experience.

What made it particularly memorable for you?

What details can you include to paint the picture for the listener?

You will then have 5 minutes to share that experience with one of your classmates and listen to their experience.
